alialmessi.github.io (portfolio & case studies)

Business development professional who takes new lines of business from market sizing to launch. Built the business case, pricing, unit economics and partnership model for iToll's on-demand automotive-services line and launched its first vertical in three months. Combines commercial instinct from campaign management with the analytical rigor of VC due diligence. MBA (Finance) candidate.

EXPERIENCE

Mohajer - Strategy Consulting Project

2026 - Present

Business Analyst

Tehran, Iran

- **Shaping product and market strategy** for a fintech proposition serving Iran's mass-affluent segment through product discovery and market research.
- **Benchmarked business models across four markets** (wealth management, global mobility, digital assets and cross-border payments) to identify where to play.
- **Built user archetypes, opportunity maps, concept directions and market-entry options** that frame the next phase of product decisions.

Wallex

2023 - 2025

VC Business Analyst, Research & Investment

Tehran, Iran

- **Ran fundamental analysis and due diligence on 500+ blockchain, DeFi and Web3 protocols**, screening protocol design, tokenomics and market positioning, and turned the findings into investment theses and recommendations.
- **Supported asset allocation and portfolio construction** across liquid venture, value/growth and DeFi-yield strategies. The company's proprietary portfolio returned **35% annualized with a 1.55 Sharpe ratio**.
- **Monitored market narratives, macro indicators, tokenomics, sentiment and on-chain data** to inform portfolio decisions and senior leadership reporting.

iToll

2024

Business Line Owner (part-time, 3-month engagement)

Tehran, Iran

- **Built the business case for a new on-demand automotive-services line:** market sizing, customer research, pricing, unit economics and partnership analysis.
- **Benchmarked Tapsi Garage and AutoGuru** to shape the service model, **launched car wash as the first vertical** and handed over the expansion roadmap.

SBT Electric

2019 - 2022

Campaign Manager

Tehran, Iran

- **Managed brand and marketing communications across product lines**, turning commercial goals into campaign priorities and execution plans.
- **Delivered campaigns end-to-end**, from concept and creative coordination through launch and performance follow-up.

Mahsan

2018 - 2019

Scrum Master

Tehran, Iran

- **Coordinated delivery and reporting** across cross-functional technology teams using Agile and Scrum.
